IRD TO PARTICIPATE IN THE AASHTO 2006 ANNUAL MEETING AND EXPOSITION IN PORTLAND, OREGON

October 16, 2006 – International Road Dynamics Inc. (IRD) will be participating in the American Association of State Highway and Transportation Officials (AASHTO) Annual Meeting and Exposition to be held October 27th to October 29th, 2006 in Portland, Oregon.

At AASHTO 2006, several hundred U.S. State transportation officials, representatives of the public sector and private industry will come together to discuss key topics focusing on the U.S. highway and transportation infrastructure. With the U.S. Interstate highway celebrating its 50th anniversary this year, key conference themes will include congestion, safety, preservation, and future funding sources and methods. As well, special sessions deal specifically with the use and implementation of technology approaches to retain the efficiency of the system.

IRD will be represented by Mr. Brian Taylor, Vice President of Technical Solutions & Business Development, and Mr. Norm Lindgren, IRD Domestic Business Advisor.

IRD will be participating in the trade showcase at this years meeting and IRD staff will be available to discuss IRD's systems and new initiatives including Commercial Vehicle Pre-Screening Systems, Advanced Traffic and Truck Weight Data Collection Systems and Driver Management Systems.

We look forward to your visit at IRD's Booth # 109.

For more information about the conference visit the conference website with meeting details at <http://www.aashto2006.com>, or if you would like any information on any of IRD's systems, please contact Mr. Brian Taylor at tel: (306) 653-6611 or at Email: brian.taylor@irdinc.com.

IRD is a highway traffic management technology company specializing in supplying products and systems to the global Intelligent Transportation Systems (ITS) industry. IRD is a North American company based in Saskatoon, Saskatchewan with sales and service offices throughout the United States and overseas. Private corporations, transportation agencies and highway authorities around the world use IRD's products and advanced systems to manage and protect their highway infrastructures.

IRD is listed on the TSX – trading symbol – IRD
