IRD TO PARTICIPATE IN CVSA ANNUAL CONFERENCE AND FMCSA LEADERSHIP CONFERENCE IN ATLANTA, GEORGIA

March 23, 2007 – International Road Dynamics Inc. (IRD) will be participating in the Commercial Vehicle Safety Alliance (CVSA) Annual Meeting being held in Atlanta, Georgia March 24th to 30th, 2007. This year's Annual meeting is being combined with the US Department of Transportation's Federal Motor Carrier Safety Administration (FMCSA) Leadership conference. The meeting will be attended by several hundred commercial vehicle safety specialists and enforcement officers from the USA, Canada, and Mexico. Many of the delegates at the meeting are IRD customers, using IRD Weigh-In-Motion and Commercial Vehicle Screening technologies at facilities throughout North America.

IRD will be showcasing numerous technologies as part of the exhibition, including:

- IRD's Innovative Virtual and Remotely Operated Weigh Stations
- IRD's premier Weigh-In-Motion (WIM) systems, including the IRD Single Load Cell Scale, and the DAW Bending Plate,
- IRD's Integrated Roadside Operations Computer (I-ROC) software for CVISN (Commercial Vehicle Information Systems and Networks) electronic screening,
- IRD's GateWeigh slow speed weigh in motion (SSWIM) technology, ideally suited for use in freight terminals, ports, and other applications where efficient commercial vehicle size and weight monitoring is important,
- IRD's DAW 300 Portable Weigh-In-Motion Screening System, and the IRD SAW Wheel Load Scales.

IRD will be represented by Mr. Joe Madek, Vice President of U.S. Sales, Mr. Norm Lindgren, Customer Service Consultant, and Mr. Brian Taylor, Vice President of Technical Solutions & Business Development. As a long standing member and corporate sponsor of CVSA, IRD Delegates are active participants in committee events including the Committee on Size and Weights, and the Committee on Intelligent Transportation Systems.

For more information about the conference visit CVSA's website at www.cvsa.org or if you would like any information on any of IRD's systems, please contact Mr. Brian Taylor at tel: (306) 653-6611 or at Email: brian.taylor@irdinc.com.

IRD is a highway traffic management technology company specializing in supplying products and systems to the global Intelligent Transportation Systems (ITS) industry. IRD is a North American company based in Saskatoon, Saskatchewan with sales and service offices throughout the United States and overseas. Private corporations, transportation agencies and highway authorities around the world use IRD's products and advanced systems to manage and protect their highway infrastructures.

IRD is listed on the TSX – trading symbol – IRD
