IRD TO PARTICIPATE IN NATIONAL MUNICIPALITIES EXPO

May 30, 2007 - International Road Dynamics (IRD) is proud to be a participant in the Federation of Canadian Municipalities (FCM) 70th Annual Conference and Municipal Expo in Calgary, Alberta on June 1st and 2nd, 2007.

FCM is the national voice of municipal governments, comprising more than 1,000 municipalities and representing 80% of Canada's population. FCM's annual conference and trade show brings together 1,500 senior municipal officials and 700 private sector representatives from across Canada.

Representing IRD at the conference and trade show will be Mr. Rod Klashinsky, Vice-President of Sales, and Mr. Carey Chomyn, Regional Sales Representative. They will be demonstrating the company's line of traffic counters and classifiers, Weigh-In-Motion (WIM) equipment, traffic safety systems, and portable variable message signs.

Please visit IRD's Trade Show Booth No. 326. For additional information about the FCM Conference and Municipal Expo, please visit the FCM web site at www.fcm.ca. For information about IRD or any of its products and systems, please visit our web site at www.irdinc.com or contact us at tel: 1-877-747-3487.

IRD is a highway traffic management technology company specializing in supplying products and systems to the global Intelligent Transportation Systems (ITS) industry. IRD is a North American company based in Saskatoon, Saskatchewan with sales and service offices throughout the United States and overseas. Private corporations, transportation agencies and highway authorities around the world use IRD's products and advanced systems to manage and protect their highway infrastructures.

IRD is listed on the TSX – trading symbol – IRD
