iRESPONDER™

Emergency Management Information Systems

TAKE CONTROL OF DRIVER SAFETY AND OPERATION COSTS

IRD's iRESPONDER™ Emergency Management Information Systems give managers the set of tools needed to encourage safe driving behavior, while maximizing the cost efficiency of their emergency response fleet. All iRESPONDER™ Systems are backed with complete system support including training, maintenance, and upgrades. Each system is customized to meet your vehicle and budget needs.

IRD's worldwide resources keep valued customers at the forefront of vehicle safety and accident reduction. For 25 years, IRD has been operating in the Intelligent Transportation Systems (ITS) Industry to promote safety in all aspects of the transportation industry.
