

THE ABC'S OF WORK ZONE SAFETY

WE WANT ALL IRD GUESTS AND BUSINESS ASSOCIATES VISITING IRD TECHNICAL ROAD SITES TO BE SAFE

The Management of IRD is committed to the health and safety of its employees and for all who are involved in our business.

AWARENESS

- Know where the traffic is
- Know where you are in relation to the traffic
- Always keep an eye on traffic; never turn your back
- Always have an escape route

BEING VISIBLE

- It is mandatory to wear reflective safety vests
- Use hazard vehicle lights

COMMUNICATION

- Everyone knows and understands what safety controls are in place
- Pedestrians and traffic clearly understand their travel routes through the work zone
- "When in doubt, give a shout"

The ABC's of Work Zone Safety are traffic safety rules by ATSSA, the American Traffic Safety Services Association. IRD is proud to be a member of ATSSA.
